We are pleased to advise you that, pursuant to the approval of Unitholders at a special meeting held on July 3, 2008, the distribution of the remaining assets of the Partnership was completed on July 30, 2008. No Incentive Allocation was paid to the general partner of the Partnership. Former holders of Units are entitled to approximately \$7.92 and 3.98247 common shares of EarthFirst Canada Inc. on a per Unit basis. We therefore enclose a cheque and an original Common Share certificate of EarthFirst Canada Inc., representing your entitlement as a former holder of Units.

Please note that the enclosed EarthFirst Canada Inc. Common Share certificate has printed thereon a CUSIP and ISIN number allowing it to be easily deposited into a brokerage account, if you so desire.

If you would like to trade the shares evidenced by the EarthFirst Canada Inc. Common Share certificate through the facilities of the Toronto Stock Exchange, please contact your broker for further information.

Please note that the unit certificates of the Creststreet Windpower Development LP currently held by you are of *no further force and effect and should be destroyed.*

Yours very truly,
