Dear Limited Partner:

Re: Creststreet Kettles Hill Windpower LP – FINAL Tax Reporting Package

We are pleased to provide your 2008 tax-year tax reporting package for your investment in **Creststreet Kettles Hill Windpower LP**. Enclosed you will find the following:

- Form T5013A – Statement of Partnership Income for Tax Shelters and Renounced Resource Expenses
- Creststreet Tax Return Completion Checklist
- Form T5004 – Statement of Tax Shelter Loss or Deduction

We have provided the attached Creststreet Tax Return Completion Checklist to assist you in completing your tax return. This will be the *FINAL* tax reporting package from the Partnership.

The Partnership completed the sale of its windpower operating assets to ENMAX Green Power Inc. on June 27, 2008. Subsequently Unitholders received \$9.00 per Partnership Unit held. The Partnership has since been dissolved.

<u>Adjusted Cost Base (ACB):</u>	<u>Per Unit</u>
ACB of Partnership Unit before capital gain	\$ 2.9711
Capital gain on sale of Kettles Hill Wind Energy Inc. *	\$ 6.1977
ACB of Partnership Unit prior to dissolution	\$ 9.1688
Cash distribution received per Partnership Unit	\$ 9.0000
Capital loss on disposition **	\$(0.1688)

* The capital gain is eligible for the lifetime capital gains exemption to the extent that it exceeds your Cumulative Net Investment Loss ("CNIL") for tax purposes.

** The capital loss realized on the disposition is not reported on the T5013A tax slip and should be claimed separately on your income tax return.

In closing, we are pleased that the Partnership was able to complete the sale of its interest in the Kettles Hill wind project at an attractive valuation and distribute the net cash proceeds to unitholders immediately prior to the onset of the global financial crisis. In hindsight, the timing of the sale of the Partnership's assets for cash could not have been better.

We would like to thank you for investing with Creststreet.

Yours very truly,
